However, with a view to increase utilization of storage space belonging to the CWC, their following steps have been taken by the Government:—

(i) CWC/Food Corporation of India (FCI) have been asked to de-hire private godowns (covered and CAP) where utilization is less than 25%.

(ii) FCI has also been advised to give priority to hire CWC's godowns for storage of food grains.

(b) to (d) FCI had entered into contracts with the Andhra Pradesh State Warehousing Corporation only and not with private parties to only use their godowns for storing of rice. Therefore, question of favouring the private parties and review of such contracts does not arise.
